Letter of Agreement

Between

International Institute of Tropical Agriculture (IITA)

and

University of Michigan

This agreement is entered into by and between the International Institute of Tropical Agriculture, hereinafter referred to as "IITA" and the University of Michigan.

WHEREAS, IITA has agreed to give the University of Michigan access to the ‘C3P socio economic’ dataset.

Now therefore IITA and the University of Michigan agree as follows.

1. Intellectual Property. Any publication under this agreement as a result of the use of the data from the ‘C3P socio economic’ dataset will be a joint publication by IITA and the University of Michigan. All rights, title and interest resulting from the use of the data from the ‘C3P socio economic’ dataset, shall be jointly owned by IITA and the University of Michigan.

2. Use of data. The University of Michigan shall not use any data from the ‘C3P socio economic’ dataset for other work without the prior written consent of IITA. In the case of consent being provided, IITA shall be acknowledged as the source of the data.

3. Transfer of data. The University of Michigan shall not transfer data from the ‘C3P socio economic’ dataset to a third party.

This is the complete Letter of Agreement between IITA and the University of Michigan and supersedes all prior understandings regarding the work.

IN WITNESS WHEREOF, the respective parties have executed this Agreement on the dates indicated below.
