MEMORANDUM

Date: December 5, 2014

To: Investigators seeking to use/access WHI data

From: WHI Clinical Coordinating Center

Subject: Use/access of WHI data

All investigators who use WHI data must review the terms of use and sign the Data Use Agreement (DUA). When completing the DUA, please be aware of the following:

- Investigators seeking to directly use/access WHI data must sign as the “Recipient.”
- All individuals who will be using WHI data under the supervision of the Recipient must sign the DUA in the “Collaborator Information” section.
- Recipient must indicate the number of the approved manuscript proposal, BAA, and/or ancillary study (AS) for which the WHI data will be used, or provide a copy of the P&P approval letter for a consortium.
- A WHI Principal Investigator (PI) must sign the DUA as Recipient’s sponsor. A list of WHI PIs is available on the WHI website\(^1\). Sponsors are not required if Recipient is a BAA PI, a WHI Co-investigator, or a WHI Associate Member.
- If data from the WHI website will be used for a BAA or AS, CCC will confirm that the study’s data has been submitted to the CCC; this is required before Recipient can obtain access to data from the WHI website.

Please send the attached DUA to the Help Desk by fax (206-667-4142) or email (helpdesk@whi.org).

For those investigators applying to download datasets available on the WHI website, we will send you an email containing a username and password that can be used to access the data for 90 days once the signed agreement is received and we verify you have met the requirements for data access.
