

CURRICULUM VITAE

Sabrina Hermosilla, PhD, MIA, MPH, MPHIL, MS

PERSONAL DATA

Research Investigator

University of Michigan, Institute for Social Research

426 Thompson Street, Office 1006E

Ann Arbor, Michigan 48104

Email: shermosi@umich.edu

Phone: 734-936-3319 (office) 718-924-5886 (cell)

Citizenship: USA, Chile

Languages: English (native), Spanish (fluent), Nepali (basic), French (basic), Russian (basic)

EDUCATION AND TRAINING

Global Mental Health Postdoctoral Research Fellow, 7/2015 – 6/2017

Division of Epidemiology, Department of Psychiatry, College of Physicians and Surgeons,

Columbia University, New York, NY

NIH T32MH096724 (Mentors: Alastair Ager, PhD and Kathleen Pike, PhD)

Doctor of Philosophy, Epidemiology, 2015

Columbia University, Mailman School of Public Health - Graduate School of Arts and Sciences

Dissertation: Measuring Psychopathology: Exploring Construct Validity Evidence for PTSD

Sponsor: Dr. Sandro Galea

Master of Philosophy, Epidemiology, 2013

Columbia University, Mailman School of Public Health - Graduate School of Arts and Sciences

Master of International Relations & Master of Public Health, Forced Migration, 2008

Columbia University, School of International and Public Affairs - Mailman School of Public Health Program on Forced Migration and Health

Master of Science, Secondary Education, 2003

City College of New York, New York, NY

Bachelor of Arts, International Relationship, *cum laude*, 2001

Colgate University, Hamilton, NY

PROFESSIONAL EXPERIENCE

Research Investigator, Institute for Social Research, Aug 2019-present

University of Michigan, Ann Arbor, MI

Adjunct Professor, Aug-Dec 2016, Aug-Dec 2019

New York University College of Global Public Health, New York, NY

Postdoctoral Research Scientist, Department of Psychiatry, July 2017-July 2019

Columbia University College of Physicians and Surgeons, New York, NY

Lecturer, Epidemiology and Population Health Summer Institute, June 2014-present

Columbia University Mailman School of Public Health, New York, NY

Lecturer, Heilbrunn Department of Population and Family Health, Sept 2015-Dec 2015
Columbia University Mailman School of Public Health, New York, NY

Postdoctoral Research Fellow, Department of Psychiatry, July 2015-June 2017
Columbia University College of Physicians and Surgeons, New York, NY

Postdoctoral Research Fellow, Global Research and Public Health (GRAPH), June 2015-Oct 2015
Columbia University Mailman School of Public Health, New York, NY

Statistical Consultant, Child Friendly Spaces in Humanitarian Emergencies, July 2014-June 2015
Columbia University Mailman School of Public Health, New York, NY

Graduate Research Manager, Sept 2012-June 2015
Departments of Epidemiology (PI: Dr. Sandro Galea) and Health Policy and Management (PI: Dr. Margaret Kruk)
Mailman School of Public Health, Columbia University, New York, NY

Assistant Director, International Family AIDS Program (IFAP), Heilbrunn Department of Population and Family Health, July 2009–Aug 2010
Columbia University Mailman School of Public Health, New York, NY

Program Coordinator, IFAP, Heilbrunn Department of Population and Family Health, May 2008-June 2009
Columbia University Mailman School of Public Health, New York, NY

Research Assistant, Program on Survivors of Torture, Feb 2008-May 2011
Mt. Sinai Hospital, New York, NY

Affiliated Research Fellow, Psychosocial Assessment of Development and Humanitarian Interventions, May-Aug 2007
University of Colombo, Colombo, Sri Lanka

International Recruitment Administrator, Human Resources Department, Feb-Dec 2006
The International Rescue Committee (IRC), New York, NY

Human Resources/Payroll Assistant, Relocation Administrator, Feb-Aug 2005
World Kitchen Inc., Arlington, VA

Program and Business Development Assistant, Jan-Feb 2005
Citizens Development Corps (CDC), Washington, DC

English Foreign Language Instructor, Oct 2003-Dec 2004
Instituto Chileno - Norteamericano, Santiago, Chile

AmeriCorps Fellow, English as a Second Language Coordinator and Teacher, July 2001-Aug 2003
Bronx Coalition Community School for Technology High School, Bronx, NY

PROFESSIONAL ACTIVITIES

Board Membership:

Founding President of Board of Directors, Roots of Health, July 2009 - present
Provide overall guidance on vision, purpose, and implementation of monitoring and evaluation plan for reproductive health non-profit organization, oversee student recruitment and management for field placements, New York and Philippines

Consultation:

Principal Investigator, Fragile Systems within a Fragile Geopolitical Context: Exploring School Performance and Health in Lebanon; Lebanon AHEAD (MPI: S Hermosilla, K Pike, B Khoury), Nov 2019-present:

- Design, develop, manage, and oversee 12-month study exploring role of school attendance on childhood health outcomes

Technical Research Consultant, Clinton Health Access Initiative, Inc. (CHAI); reviewed and provided technical feedback on reports and proposals, Aug 2015-Aug 2018:

- Evaluation of the Impact of Family Clinic Days on Pediatric and Adolescent Retention and Adherence to ART, Uganda
- Determining the Impact of ART Pharmacy Supply Services Interventions on the Provision of 3 - Month Refills for Stable Patients: A cluster - randomized difference-in-difference study, Zambia
- Measuring the impacts of health facility reinforcement and early infant diagnostics (EID) and immunization (EPI) service integration on HIV testing and immunization services in Southern Province, Zambia
- A quasi - experimental evaluation of the use of the Community Adolescent Treatment Supporters (CATS) model to improve adolescent HIV testing in Zimbabwe

Program Evaluation Analytic Specialist, Columbia Group for Children in Adversity India; develop and conduct quantitative data analysis (n=600) and draft report documents, July-Aug 2017

Program Evaluation Specialist, World Vision Cambodia Child Protection Most Vulnerable Child; conduct quantitative data analysis (n=864) and draft report documents, Mar-Apr 2017

Academic Dissemination Consultant, Child Friendly Spaces Inter - Agency Learning Event, funded by World Vision International; designed, developed, and delivered inter - agency dissemination workshop sharing findings from Child Friendly Spaces Nepal research project with 40 technical NGO and government partners, Kathmandu, Nepal, Oct 2016 Dec 2017

Data Analyst and Manuscript Developer for Uganda data collection of Child Protection Index Study, funded by United Nations High Commissioner for Refugees (UNHCR) and Child Protection in Crisis (CPC) Learning Network; reviewed baseline findings and report, conducted data analysis of quantitative survey data (n=1,280); drafted final report documents and peer-reviewed manuscripts, Aug 2016-Feb 2017

Interim Principal Investigator, Data Analyst and Manuscript Developer for Rwanda data collection of Child Protection Index Study, funded by UNHCR and CPC Learning Network; managed communications with field coordinator and co - Investigator; conducted data analysis of quantitative survey data (n=500); conducted data analysis of qualitative key informant interviews (n=17); drafted final report; developed qualitative follow - up instruments, protocol and logistics; drafted peer-reviewed manuscripts, Oct 2015-May 2016

Technical Research Consultant, SavE Project, Department of Epidemiology, Columbia University; field research team supervisor, Zambia, May-June 2013

Toolkit Consultant, Youth and Sustainable Livelihoods: Linking Vocational Training Programs to Market Opportunities in Northern Uganda, Feb 2008

Society Membership:

Alliance for Child Protection in Humanitarian Action (2019-)

American Public Health Association (2014-2016)

Global Health Council (2014-2016)

International Epidemiological Association, (2015-) North American Early Career Representative (2016-2019)

International Society for the Study of Trauma and Dissociation (2015)

International Society for Traumatic Stress Studies (2015-2017)

International Union against Tuberculosis and Lung Disease (2012-2014)

Society of Epidemiologic Research, (2012-), Awards Committee (2017-2019)

National and International Meetings:

Alliance for Child Protection in Humanitarian Action, 2019
American Public Health Association, 2015
Anxiety and Depression Association of America, 2016
Global Health and Innovation Conference, Unite for Sight, 2009
International Society for Traumatic Stress Studies Meeting, 2015
International Epidemiologic Association, 2019
New York City Epidemiology Forum, 2015
Science of Dissemination and Implementation in Health, 2015
Society for Epidemiologic Research, 2012-2018
Union World Conference on Lung Health, 2014
World Association of Cultural Psychiatry Congress, 2015
World Health Organization (WHO) Mental Health Gap Action Programme (mhGAP) Meeting, 2015, 2019

EDITORIAL ACTIVITIES

Journal review:

Biomedical Journals
Global Public Health
Journal of Global Health
Medical Care
PLoS One

Conference abstract review:

Society for Epidemiologic Research
American Public Health Association

Book review:

Psychiatry and Neuroscience, Oxford University Press: reviewed “Mental Health System Development in Aceh, Indonesia”

HONORS AND AWARDS

- Prose Award Excellence Category contributing co-author winner (Nursing and Allied Health), for *Urban Health*, Ed. Galea, S., Vlahov, D. 2020
- Student Conference Travel Fund Program award recipient, Mailman School of Public Health, 2014
- EPIC Student Fund award recipient, Department of Epidemiology, Mailman School of Public Health, 2014
- Public Health Scholar, Mailman School of Public Health, 2007
- Susan B. Purdin Summer Travel Award, Mailman School of Public Health, 2007

CURRICULUM VITAE

Sabrina Herмосilla, PhD, MIA, MPH, MPHIL, MS

PART II

TEACHING

Classroom Instruction:

New York University College of Global Health:

GPH-GU 2240 **Perspectives in Global Mental Health (graduate)**

Fall 2016 (25 students)

Fall 2019 (27 students)

Columbia University Mailman School of Public Health:

P8637 **Qualitative Data Analysis (graduate)**

Fall 2015 (26 students)

Survey Design and Data Collection, Epidemiology and Population Health Summer Institute

Summer 2019 (10 students), Summer 2018 (13 students), Summer 2017 (8 students), Summer 2016 (14 students),

Summer 2015 (13 students), Summer 2014 (10 students)

Bronx Community School for Technology:

English as a Second Language (high school)

2001-2002 (80 high school students), 2002-2003 (82 high school students)

Student Practica Mentees, Columbia University Mailman School of Public Health

Anya Peck, MPH to be awarded May 2020

Placement: Chile, won of best poster at Columbia Global Health Practicum Poster Session

Lauren Parks, MPH awarded May 2017

Placement: Uganda

Eliana Rieders, MPH awarded May 2017

Placement: Uganda

Megha Kilaru, MPH awarded May 2016

Placement: New York

Elizabeth Wartella, MPH awarded May 2016

Placement: New York

Kawthar Muhammad, MPH awarded May 2016

Placement: Philippines

Caitlin Warthin, MPH awarded May 2016

Placement: Philippines

Thesis Advisees, Columbia University Mailman School of Public Health

Sarah Forthall, MPH awarded May 2019

Thesis title: The role of hope in predicting post-traumatic stress after the Nepali earthquake (second reader); won Department of Epidemiology award and accepted at national epidemiologic conference (SER)

Saba Chowdhury, MPH awarded October 2017

Thesis title: Understanding posttraumatic stress after the Nepali earthquake (second reader)

Suvu Aryal, MPH awarded May 2016

Thesis title: Child Posttraumatic Stress Disorder in Nepal post-earthquake 2015 (second reader)

Raissa Chua, MPH awarded May 2016

Thesis title: Evaluating the association of positive coping mechanisms and the psychosocial wellbeing of Syrian child refugees in Nabateih, Lebanon (second reader)

Paul You, MPH awarded May 2015

Thesis title: Identifying risk factors associated with smear positivity of pulmonary tuberculosis in Kazakhstan. (second reader); won Department of Epidemiology award and accepted at national epidemiologic conference (SER) and resulted in publication (Hermosilla et al. 2017 Plos One)

RESEARCH GRANT PARTICIPATION

Fragile Systems within a Fragile Geopolitical Context: Exploring School Performance and Health in Lebanon; Lebanon AHEAD (PI: S Hermosilla, K Pike, B Khoury)

Role on project: Principal Investigator (20% effort/year)

Dates: November 2019 – present (October 2020)

Funder: National Institute for Health Research (NIHR)

Objective: Explore the relationship between education and health among school-aged children within Lebanon

Understanding the Connections among Genes, Environment, Family Processes, and Mental Health (PI: W Axinn, J Smoller)

Role on project: Co-Principal Investigator (administrative supplement, 100% effort/year)

Dates: August 2019 – present

Funder: National Institute of Mental Health (NIMH) R01MH110872

Objective: Explore links between parental international labor migration and youth onset of mental disorders

Global Mental Health Program, Postdoctoral Research Scientist

Role on project: Principal Investigator (20% effort/year)

Dates: July 2017 – July 2019

Funder: Global Fund for Mental Health

Objective: Support ongoing analyses from Child Friendly Spaces and academic faculty grant development

Global Mental Health Research Fellowship: Interventions That Make a Difference (PI: M. Wainberg)

Role on project: Postdoctoral Research Fellow (100% effort/year)

Dates: July 2015 – June 2016

Funder: National Institute of Mental Health (NIMH) T32MH096724

Objective: Evaluate psychosocial interventions in humanitarian settings (Child Friendly Spaces)

Global Research and Public Health (GRAPH) (PI: S Galea)

Role on project: Research Analyst (20-80% effort/year)

Dates: September 2013 – June 2015

Funder: Rockefeller Foundation

Evaluation of Child Friendly Spaces in Emergencies (PI: A Ager)

Role on project: Research Analyst (10-20% effort/year)

Dates: June 2012 – June 2015

Funder: Research for Health in Humanitarian Crises (R2HC)

Objective: To evaluate and build the evidence base for most-common child/adolescent intervention in humanitarian settings

Teagle Foundation Teaching Fellowship

Role on project: Teaching Fellow (10% effort / year)

Dates: August 2014 – May 2015)

Funder: Teagle Family Foundation

Objective: To support academic instruction and development

Influences of Women's Empowerment on Marriage and Violence in Bangladesh (PI: S Schuler)

Role on project: Research Analyst, (20-40% effort/year)

Dates: August 2010 – December 2014

Funder: Eunice Kennedy Shriver National Institute of Child Health & Human Development (NICHD) R01HD06163008

Objective: The objective of this study is to clarify the individual- and community-level mechanisms by which a woman's empowerment is associated with her risk of experiencing intimate partner violence (IPV) in rural Bangladesh.

Mapping of Eco - social, Environmental, and Genetic Factors Determining Susceptibility to Tuberculosis in the Republic of Kazakhstan (PI: N El-Bassel)

Role on project: Research Analyst (20-40% effort/year)

Dates: August 2011 – November 2014

Funder: Government of Kazakhstan

Objective: To document and map the social, environmental, and genetic determinants of TB in Kazakhstan

Improving Maternal and Newborn Health using the HIV/AIDS Program Platform in Tanzania (PI: M Kruk)

Role on project: Research Analyst (20-80% effort/year)

Dates: May 2012 – December 2013

Funder: National Institute of Allergy and Infectious Diseases, R01AI093182

Objective: This study will test whether the HIV program strategy can be used to improve the quality of care of maternal and newborn health in dispensaries in the Pwani Region, Tanzania.

Initiative to Maximize Student Diversity at Columbia University Mailman School of Public Health (PI: A Abraído-Lanza)

Role on project: Doctoral Student Trainee (50% effort/year)

Dates: August 2010 – August 2013

Funder: National Institute of General Medical Sciences, 2R25GM62454

Objective: To increase diversity in academia.

Identifying Barriers to Accessing and Adhering to HIV/AIDS Care and Treatment Programs among the Batey Population in La Romana, Dominican Republic (PI: S Nicholas)

Role on project: Assistant Director (20% effort/year)

Dates: May 2009 – December 2011

Funder: International Family AIDS Program (IFAP) and United States Agency for International Development (USAID)

ACADEMIC SERVICE

University of Michigan

Undergraduate Research Opportunity Program (UROP) Mentor, created and oversee undergraduate researcher assistants, 2019- (2 students)

Columbia University Mailman School of Public Health

Committee Membership:

DrPH Methods Exam Committee, created and evaluated questions for DrPH methods qualifying exam, 2015-2016

Curriculum Renewal Student Committee, Doctoral Student Representative, 2010-2012

Doctoral Steering Committee, Doctoral Student Representative, 2012-2015

Assistant Dean of Student Affairs Search Committee, Doctoral Student Representative, 2012-2013

Social Determinants of Health Certificate MPH Journal Club, Founder and Doctoral Student Leader, 2012-2015

Summer Internship and Practicum Director, Global Mental Health Program, recruit, evaluate, hire, manage undergraduate and graduate student placements in Geneva, Switzerland, Brazil, Chile, Ethiopia, India, Kenya, Lebanon, New York, Nigeria, South Africa, Uganda, and United Kingdom, 2016-2017 (18 students), 2017-2018 (16 students), 2018-2019 (20 students)

SELECTED PRESENTATIONS (first-author only)

Regional/National:

- Hermosilla, S.** Adolescent Mental Health. Course presentation in Global Women's Health, *Mt. Sinai Global Health Training Program, Mt. Sinai*. February 2020, March 2019, New York, NY.
- Hermosilla, S.** Survey Design. Course presentation, *Mt. Sinai Global Health Training Program, Mt. Sinai*. February 2020, February 2018, February 2017, October 2015, March 2015, October 2014, January 2014, October 2013, New York, NY.

Posttraumatic stress disorder factor structure among survivors of the 2010 Haitian Earthquake: Adjudicating heterogeneous post - disaster PTSD dimensionality. Conference poster presentation, *Annual American Public Health Association (APHA) Meeting*. November 2015, Chicago, IL.
- Hermosilla, S.,** Link, B., Desvarieux, M., Ager, A., Cerdá, M., Galea, S. Posttraumatic stress disorder symptom factor expression heterogeneity among Haitian earthquake survivors. Conference presentation, *Society of Epidemiologic Research (SER) Meeting*. June 2015, Denver, Colorado.
- Hermosilla, S.,** Link, B., Desvarieux, M., Ager, A., Cerdá, M., Galea, S. Posttraumatic stress disorder factor structure among survivors of the 2010 Haitian Earthquake: Adjudicating heterogeneous post-disaster PTSD dimensionality. Conference poster presentation, *Annual Society of Epidemiologic Research (SER) Meeting*. June 2015, Denver, CO.
- Hermosilla, S.,** Sampson, L., Link, B., Desvarieux, M., Ager, A., Cerdá, M., Galea, S. Lacking empirical evidence for a universal posttraumatic stress disorder factor structure, a systematic review. Conference poster presentation, *Annual Society of Epidemiologic Research (SER) Meeting*. June 2015, Denver, CO.
- Hermosilla, S.,** Link, B., Desvarieux, M., Ager, A., Cerdá, M., Galea, S. Exploring PTSD construct validity - testing the PTSD factor model stability among 1,169 earthquake survivors. Conference poster presentation, *Annual Society of Epidemiologic Research (SER) Meeting*. June 2015, Denver, CO.
- Hermosilla, S.,** Kujawski, S., Richards, C., Galea, S., El-Sayed, A. An Ounce of Prevention: Deaths Averted from Implementing Evidence-based Primary Prevention in the United States in 2010. Conference poster presentation, *Annual Society of Epidemiologic Research (SER) Meeting*. June 2015, Denver, CO.
- Hermosilla, S.,** Kujawski, S., Richards, C., Galea, S., El-Sayed, A. An ounce of prevention: Deaths averted from implementing evidence-based primary prevention in the United States in 2010. Conference poster presentation, *Annual New York City Epidemiology Forum*. February 2015, New York, NY.
- Hermosilla, S.** Confounding. Course presentation, *Principles of Epidemiology (P6400), Department of Epidemiology, Columbia University*. October 2014, New York, NY
- Hermosilla, S.,** Kruk, M.E., Larson, E., Mbaruku, G.M. Bypassing primary clinics for childbirth in rural Tanzania: a census of 3,019 deliveries. Conference poster presentation, *Annual Society of Epidemiologic Research (SER) Meeting*. June 2013, Boston, MA.
- Hermosilla, S.,** Terlikbayeva, A., Abildayev, T., Muminov, T., Akiyanova, F., Zhumadilov, Z., Galea, S., Schluger, N., Bartkowiak, L., Yegeubayeva, S., El - Bassel, N. The epidemiologic profile of pulmonary tuberculosis in Kazakhstan, 2006 - 2010. Conference poster presentation, *Annual Society of Epidemiologic Research (SER) Meeting*. June 2012, Minneapolis, MN.
- Hermosilla, S.,** Nicholas, S. HIV Prevention and Detection Pilot Project in the Sugarcane Plantation Bateyes of the Dominican Republic. Conference presentation, *Global Health and Innovation, funded by Unite for Sight and Yale University*. April 2009, New Haven, CT.

International:

- Hermosilla, S.,** Metzler, J., Ager, A. Friendly Spaces Impact Across Five Humanitarian Settings: A Meta-analysis. Hot off the Press, *Child Protection in Humanitarian Action Annual Meeting*. October 2019, Geneva, Switzerland.

Hermosilla, S., Metzler, J., Ager, A. Overview of Evaluating Child Friendly Spaces in Emergencies: Global Research and Learning Project; Adapting Measures and Developing Tools; Overview of CFS Research Design: Lessons Learned from Nepal; Overview of CFS Research Findings: Nepal Part I and Part II. Workshop presentation, *Child Friendly Spaces Research Project: Inter - Agency Learning Event*. November 2016, Kathmandu, Nepal.

Hermosilla, S., Link, B., Desvarieux, M., Ager, A., Cerdá, M., Galea, S. Posttraumatic stress disorder factor structure among survivors of the 2010 Haitian Earthquake: Adjudicating heterogeneous post - disaster PTSD dimensionality. Conference presentation, *World Association of Cultural Psychiatry Congress*. October 2015, Puerto Vallarta, Mexico.

Hermosilla, S., Terlikbayeva, A., Abildayev, T., Muminov, T., Akiyanova, F., Zhumadilov, Z., Galea, S., Schluger, N., Yegeubayeva, S., El - Bassel, N. National Tuberculosis Surveillance System Reporting Check - a Kazakhstan Case Study. Conference presentation, *Union World Conference on Lung Health*. November 2014, Barcelona, Spain.

Invited talks:

Hermosilla, S. Implementation Science – Backwards: How to Evaluate and Improve Psychosocial Interventions in Humanitarian Settings. Columbia University Global Mental Health University Seminar, *Columbia University*. October 2019, New York, NY.

Hermosilla, S., Rebello, T.J. Migration and Urban Health. Oral panel presentation, *Urban Health – State of the Science, Boston University and Yale Institute for Global Health*. December 6, 2018, Boston, MA.

Hermosilla, S., Galea, S. Mental Health Causes and Consequences in Acute Emergency Settings. Webinar presentation, *Global Mental Health Webinar, GLOhBAL (Global Learning. Optimizing health. Building Alliances Locally), Cohen Children's Medical Center of New York*. February 2017, New York, NY.

Hermosilla, S., Meyer, S. R., Stark, L. Developing a Child Protection Systems Index in Refugee Settings: Learning from Uganda and Rwanda. Symposium presentation, *Biennial Meetings of the Child Protection in Crisis Learning Network, Mailman School of Public Health, Columbia University*. June 2016, New York, NY.

Hermosilla, S. Using PowerPoint to Make Posters. Seminar presentation, *Heilbrunn Department of Population and Family Health, Columbia University*. October 2015, October 2014, October 2013, New York, NY.
