

May, 2018

**Curriculum Vitae
Steven G. Heeringa**

Personal Background

Date of Birth: 27 June 1953

Education

1973-1975 James B. Angell Scholar, The University of Michigan
1975 B.S. in Biometrics, Magna Cum Laude, The University of Michigan
1977 M.A. in Statistics, The University of Michigan
1999 Ph.D., Biostatistics, The University of Michigan

Military Experience

1971-1975 USAF AB, AFROTC (Pilot) 4 Year Scholarship, Distinguished Graduate
1975 University of Michigan President's Award, AFROTC
1975-1978 USAF (Officer)
1978 Honorable Discharge, USAF

Work Roles and Experience

2015- Associate Director, Survey Research Center, University of Michigan
2006- Adjunct Associate Professor, Department of Biostatistics, University of Michigan
2005- University of Michigan Population Studies Center, Research Affiliate
2003-2012 Director, Survey Research Center Summer Institute in Survey Research
Techniques
2003- Director, Statistical Design Group, Survey Research Center, Institute for Social
Research, University of Michigan
2003- Research Scientist, University of Michigan
2003- Faculty, Michigan Program in Survey Methodology, University of Michigan
2001- Faculty, Joint Program in Survey Methodology (JPSM), University of Michigan
and University of Maryland
1996-2002 Director, Division of Surveys and Technologies, Institute for Social Research,
University of Michigan
1995-2002 Director, Survey Design and Analysis Unit, Institute for Social Research,
University of Michigan
1980-1995 Head of Sampling Section, Survey Research Center, Institute for Social Research,
University of Michigan
1978-1980 Senior Research Associate, Institute for Social Research, University of Michigan
1977-1978 Senior Population Analyst, Minnesota State Planning Agency Employer: State of
Minnesota
1975-1977 Research Assistant at the Survey Research Center, Institute for Social Research,
University of Michigan
1974-1975 Research Assistant at the Great Lakes Research Division, University of Michigan

1971-1973 Research Assistant in The University of Michigan Nuclear Chemistry Laboratory, Phoenix Laboratory. Participant in the Unified Science program, University of Michigan.

Professional Roles and Experience

2015-2017 President, International Association of Survey Statisticians
2015 Member, University of Michigan Health and Behavioral Sciences Institutional Review Board (HSBS IRB)
2012-2015 Member, Scientific Advisory, Michigan Clinical Health Research Program (MICHHR)
2012- Member, US Bureau of Labor Statistics Technical Advisory Committee
2012- Member, Statistics Canada Advisory Board on Statistical Methods
2011- Elected member, International Statistical Institute
2011-2013 Vice-President, International Association of Survey Statisticians
2008- Fellow of the American Statistical Association
2007-2009 Scientific Secretary, International Association of Survey Statisticians
2007-2012 Member, Scientific Review Committee, Michigan Clinical Health Research Program
2006-2007 American Statistical Association, Program Chair, Survey Research Methods Section
2005-2010 Chair, EPA FIFRA Scientific Advisory Panel
2003- 2010 Permanent Member, EPA FIFRA Scientific Advisory Panel
2003-2007 Editor, The Survey Statistician, International Association of Survey Statisticians
2000- Director, Michigan World Mental Health (WMH) Data Analysis Center
1999-2002 EPA FIFRA Science Review Board
1998-2007 Member, University of Michigan Medical Institutional Review Board (IRBMED)
1998- Adjunct International Research Fellow, Research Center for Contemporary China, Beijing University

Teaching Experience

2003-2017 Instructor, Survey 760/SurvMeth 660, Survey Project Management, University of Maryland/Michigan Joint Program in Survey Methodology
2001-2016 Instructor, Survey 701/SurvMeth 613, Analysis of Complex Sample Survey Data, University of Maryland/Michigan Joint Program in Survey Methodology
2006 Instructor, Biostatistics 617, Sampling Theory and Methods, University of Michigan, Department of Biostatistics.
1997-2002 Instructor, Soc/Psych 597, Analysis of Complex Sample Survey Data, University of Michigan, Department of Sociology and Psychology
1986-1989 Instructor, Statistical Analysis for Epidemiologists (with Microcomputers), Summer Program in Epidemiology, School of Public Health, University of Michigan
1978- Instructor, Summer Institute in Survey Methods, Survey Research Center, University of Michigan

Publications

Peer-reviewed Publications (last 23 years)
