### **Education**

Ph.D., University of Chicago, 1986. Cognitive Psychology  
B.A., Hampshire College, 1977. Cognitive Science

### **Current Research**

New technologies in survey data collection including interactive web surveys, virtual interviewers, and mobile devices; correspondence between analyses of social media and survey data; interaction between interviewers and respondents; interviewing techniques

### **Professional Employment**

2014 – present: Professor, Psychology, University of Michigan

2012 – present: Director, Michigan Program in Survey Methodology, University of Michigan

2012 – 2015: Director, Joint Program in Survey Methodology, University of Maryland

2011 – present: Research Professor, Institute for Social Research, University of Michigan,

2011 – present: Research Professor, Joint Program in Survey Methodology, University of Maryland

2006 – 2011: Research Associate Professor, Institute for Social Research, University of Michigan  
Adjunct Associate Professor of Psychology, University of Michigan

Research Associate Professor, Joint Program in Survey Methodology,  
University of Maryland

2002-2006: Associate Research Scientist, Institute for Social Research, University of Michigan and Research Associate Professor, Joint Program in Survey Methodology, University of Maryland

1991 - 2002: Research/Senior Research Psychologist, Bureau of Labor Statistics.

1989 – 1991: Principal Software Engineer, Artificial Intelligence Research Group, Digital Equipment Corporation.

1986 – 1989: Post-doctoral Research Associate, Intelligent Tutoring Laboratory, Department of Psychology, Carnegie-Mellon University.

**Visiting and Adjunct Appointments, Consulting, Graduate Assistantships**

2009 – 2011: Consultant, Center for AIDS Preventions Studies, University of California San Francisco.

2007 – 2011: Consultant, Bureau of Labor Statistics, Washington, DC.

June 2000: Visiting Scholar, Department of Research Methodology, Vrije Universiteit of Amsterdam, Netherlands (laboratory of Dr. Wil Dijkstra).

1998 to 2002: Adjunct Assistant Professor, Joint Program for Survey Methodology, University of Maryland.

1998: Adjunct Associate Professor, Department of Psychology, George Mason University.

July, 1998: Instructor, Swiss Summer School, Swiss National Science Foundation, L'Università della Svizzera Italiana

1991 – 1995: Occasional Consultant, Survey Research Center, University of Maryland.

1991: Consultant, Center for Survey Research, University of Massachusetts at Boston.

1985 – 1986: Research Coordinator, Project on Estimation and Survey Research, University of Chicago.

1979 – 1983: Research Assistant to Lance Rips, University of Chicago.

1981 – 1986: Graduate Teaching Assistant, University of Chicago.

1977 – 1978: Research Assistant to Edward Smith, Psychology Department, Stanford University, and Summer, 1977, Psychology Department, Rockefeller University.

## Grants and Awards

- 9/15/18-9/14/20 “Collaborative Research: Video Communication Technologies in Survey Data Collection,” National Science Foundation Grant #1825113. Principle Investigator: Frederick Conrad, University of Michigan; simultaneous award to New School for Social Research, Michael Schober, PI.
- 7/1/17 - 6/30/18 “Doctoral Dissertation Research: Memory Bookmarking: An Approach to Improve Recall in Surveys,” National Science Foundation Grant # SES1659776. Principle Investigator: Frederick Conrad, University of Michigan; Doctoral Student Investigator, H. Yanna Yan, University of Michigan.
- 7/13-4/18 “Addressing Acquiescence: Reducing survey error to promote Latino Health.” National Cancer Institute Grant # 1 R01 CA172283-01A1. Principle investigator: Rachel Davis, University of South Carolina.
- 1/13-12/15 “Decomposing interviewer variance in standardized and conversational interviewing,” National Science Foundation Grant # SES1324689. Principle Investigator: Brady West, University of Michigan.
- 5/13 Warren J. Mitovsky Innovators Award, American Association for Public Opinion Research (with Michael Schober)
- 10/10 – 9/13 “Collaborative Research: Responding to Surveys on Mobile, Multimodal Devices,” National Science Foundation Grant # SES 1026225. Principal Investigator: Frederick Conrad; simultaneous award to New School for Social Research, Michael Schober, PI.
- 07/09 – 06/11 “Risk Communication for Environmental Exposure,” National Institute of Environmental Health Sciences Grant # R01ES016306. Principal investigator, Edith Parker.
- 09/08 – 08/09 “Collaborative Research: Acoustic Properties, Listener Perceptions, and Outcomes of Interactions between Survey Interviewers and Sample Persons,” National Science Foundation grant SES-0819734. Principle investigator, Frederick Conrad (original PI, Robert Groves, University of Michigan); parallel award to Jose Benki, Michigan State University.
- 05/07 – 04/12 “Improving the Design of Health Surveys on the Web,” National Institutes of Health grant # R01 HD041386-04A1, Principal investigator Roger Tourangeau, University of Michigan.
- 03/07 – 02/10 “Disability, Time Use, and Well-being Among Middle-Aged and Older Married Couples,” National Institutes of Health grant # P01

	AG029409-01. Principal investigator Vicki Friedman, University of Medicine and Dentistry of New Jersey School of Public Health. Rackham Graduate School (University of Michigan)
05/06 – 08/06	Spring/Summer Fellowship for Support of a Doctoral Student
10/05 – 09/08	“Animated Agents in Self-Administered Surveys” National Science Foundation grant SES 0551300. Principal investigator; co-PI Michael Schober, New School for Social Research.
04/05 – 08/05	“Experiments to Understand How Americans React to New Election Procedures” with Michael Hanmer, Georgetown University and Michael Traugott, University of Michigan. A module in survey administered by “Time-sharing Experiments in the Social Sciences” NSF Grant 0094964, Diana C. Mutz and Arthur Lupia, Principal Investigators.
03/05 – 02/06	“Envisioning the Survey Interview of the Future,” a workshop to foster synergy between survey methodologists and communication technologists. National Science Foundation grant SES-0454832. Principal investigator with Michael Schober, New School for Social Research (Co-PI). Supplemental award made to organize follow-up workshop in United Kingdom in 2007.
01/04 – 12/08	“Informed consent and perceptions of risk and harm in survey participation,” National Institute of Child Health and Human Development, National Institutes of Health. With Eleanor Singer (PI), Mick Couper and Robert Groves, all of the University of Michigan.
06/01/03-05/31/06	“Visual and Interactive Issues in the Design of Web Surveys,” National Institute of Child Health and Human Development, National Institutes of Health, grant # R01 HD041386-01A1. Roger Tourangeau (PI) and Mick Couper (both at University of Michigan).
06/01/03-05/31/06	“An Assessment of voting technology and ballot design.” National Science Foundation grant IIS0306698. Paul Herrnson (PI, University of Maryland), Ben Bederson (University of Maryland), Richard Niemi (University of Rochester), Mike Traugott (University of Michigan).
2001-2004	“Visual and interactive features of web surveys” National Science Foundation grant SES0106222, Co-Principal Investigator with Roger Tourangeau (PI), University of Michigan, Mick Couper (Co-PI), University of Michigan and Reginald Baker (Co-PI), MS-Interactive.
2001	United States Department of Labor Secretary’s Exceptional Achievement Award.
2000-2003	“Adaptive interfaces for collecting survey data from users” National Science Foundation grant IIS-0081550, Co-Principal Investigator with Michael Schober (PI), New School University.

- 1999-2001 “The cognitive basis of seam effects in panel surveys” National Science Foundation grant SES-99-07414, Government Partner with Lance Rips (PI), Northwestern University.
- 1998-2000 “Costs and benefits of conversational survey interviewing” National Science Foundation grant SBR-97-0140, Government Partner with Michael Schober (PI), New School for Social Research.
- 1998 Bureau of Labor Statistics Award for Eminent Achievement.
- 1997 United States Department of Labor Secretary’s Exceptional Achievement Award
- 1995 Annual Research Practicum, Joint Program on Survey Methodology, University of Maryland; proposed project (on behalf of Bureau of Labor Statistics) about improving occupational classification of survey respondents by asking about their skills.
- 1985, 1986 Co-authored two proposals with Lance Rips, University of Chicago, to study sentence comprehension, funded by the Benton Foundation awarded to Lance Rips.

- Organized and chaired session, “Measuring consumption and consuming measurement: The challenges of studying consumers from a Federal perspective.” Twenty-fourth Annual Conference of the Association for Consumer Research, Tucson, AZ, 1996.

Organized and chaired session, Memory for Time and Frequency. Third Conference on Practical Aspects of Memory, College Park, MD, 1994.

## **Teaching Experience**

*Program in Survey Methodology, University of Michigan; Joint Program in Survey Methodology, University of Maryland; and Summer Institute in Survey Research Techniques, University of Michigan*

- Fundamentals of Data Collection, co-taught Fall 2017 and Winter 2018.
- Social and Cognitive Foundations of Survey Measurement/Cognition, Communication and Survey Measurement, taught or co-taught 23 times between 1998 and 2017
- Advanced Seminar in Cognition and Survey Research, co-taught, 2007
- Envisioning the survey interview of the future, taught seven times between 2006 and 2016.
- Questionnaire Design, co-taught, 2003.
- Data Collection Methods, taught/co-taught 24 times between 2003 and 2016.
- Introduction to Survey Research, team-taught Summer 2003 and Summer 2004.
- Fundamentals in Survey Methodology, coordinated team-taught graduate course in some years and taught multiple sessions in all years (19 times between 2004 - 2014).
- Doctoral Seminar in Survey Methodology, taught 3 week module, 2002, 2003, co-taught full course 5 semesters from 2011-2013
- Survey Design Seminar, Program in Survey Methodology, University of Michigan, taught/co-taught, 2003-4, 2004-5, 2006 (in some years a two term sequence, in others one term)

*Digital Education and Innovation Lab, Massive Online Open Courses (MOOCs), University of Michigan*

- Questionnaire Design (co-taught), continuously offered from 2014
- Data Collection: Online, Face-to-face and Telephone, continuously offered from 2016

*Psychology Department, University of Michigan*

- Psychology of Survey Response, Winter 2015.

*London School of Economics Summer School, taught 3 day module on survey data collection, July 2011.*

*Center for Statistical Consulting, Advising and Research, University of Michigan.*

Introduction to Survey Design: Data Collection, Questionnaire Design and Response Processes. One day short course, taught twice a year from 2010 - 2017)

*Inter-university Consortium for Political and Social Research, University of Michigan.*  
Introduction to Survey Design: Data Collection, Questionnaire Design and Response Processes. One day short course, December 2013.

*Joint Program in Survey Methodology, University of Maryland.* Psychology of Survey Response. Two day short course, co-taught with Roger Tourangeau (2011)

*Certificate Program in Survey Methodology, Odem Institute for Research in the Social Sciences, University of North Carolina.*  
Survey Interviewing Techniques, one day short course (2007)

*Psychology Department, George Mason University*  
Human-Technology Interaction: Cognition and Usability, semester long graduate seminar (1998)

*Swiss Summer School, Swiss National Science Foundation, at L'Università della Svizzera Italiana*  
Reducing Survey Measurement Error, one week doctoral course (1998)

*Department of Psychology, Carnegie Mellon University*  
Introduction to Symbolic Processing (LISP programming), undergraduate semester-long course, (1987, 1988)

### **Guest lecturer**

- School of Information, University of Michigan: Evaluation of Systems and Services (March, 2011)
- Department of Psychology, University of Michigan: Research Methods (March 2009, March 2011, November 2012)
- University of Illinois, Library and Information Science distance learning program (1998 - 2002): various topics in web site usability
- New School University, Department of Psychology (2002): Research Methods
- Free University (Amsterdam), Department of Research Methodology (2000): Research Methods
- George Mason University, Department of Public Administration (1993,1994): Research Methods in Public Policy.

### **Doctoral Dissertation Committees**

Currently chairing two committees: one at the University of Michigan (Survey Methodology) and one at the University of Maryland (Survey Methodology); serving on committee at New School for Social Research (Psychology) and one at the University of Maryland (Government and Politics)

Previously chaired or co-chaired five committees at the University of Michigan (Survey Methodology) and served on seven additional committees at the University of Michigan (three in Survey Methodology, one in Public Health; one in Architecture; co-chaired two committees at the University of Maryland (Survey Methodology) and served on five additional committees (Survey Methodology); served on five committees at New School for Social Research (Psychology); served on one committee at Vrije Universiteit of Amsterdam (Research Methods); served on one committee at George Mason University (Psychology).

### **Masters Committees**

Served on committee in Department of Sociology, Darmstadt University, Germany

Served on three committees in Department of Psychology, New School for Social Research

### **Professional Activities**

#### Editorial:

Associate Editor, *Journal of Official Statistics* (2002 - 2011)

Member of Editorial Board, *Public Opinion Quarterly* (2006 – 2009, 2013-2018)
